## Kickers for Kids – Membership & Commitment

Dear Applicant,

Thank you for your interest in joining *Kickers for Kids*!

Our club brings together a passion for football with a clear mission: supporting children and youth organizations through meaningful social engagement.

To make our activities and events successful, we rely on members who share and actively support this mission.

### Who we are

We are more than just a football team. While we enjoy playing the game, our matches and events are always connected to a charitable purpose. We see ourselves as a community that combines sport with a strong commitment to helping others.

### What we expect from our members

- **Regular participation** in training sessions and friendly matches, as your schedule allows
- **Active support during club events**, including the organization and execution of:
  - charity matches
  - our annual small-sided tournament
  - other club initiatives
- **A willingness to get involved**, whether in planning, coordination, setup, or general support
- **A genuine commitment** to our mission of supporting children and social institutions.
- Personal responsibility for holding valid accident insurance that covers sports-related injuries. The club does not provide such coverage.

### What we offer

- The opportunity to play football in a welcoming and motivated team environment
- A chance to make a real and positive impact through your involvement

Our club depends on the active participation of its members. Only through shared commitment can we successfully run our events and make a meaningful contribution.

If this sounds like the right fit for you, we would be delighted to welcome you to *Kickers for Kids*.
